HANDS ON LIFTS (PTY) LTD BRINGS 25 YEARS OF
EXPERTISE IN INSTALLING, SERVICING, AND
UPGRADING LIFTS FOR HOMES, OFFICES, AND
PUBLIC SPACES.

Passenger lift installed at a private residence in Malawi!

Hands on Lifts is proud to share our recent installation of a 2-stop through-car Passenger Elevator at a private residence in Malawi. Despite the tight space constraints, our team successfully managed to fit in this high-speed passenger lift, ensuring both functionality and elegance without compromising on quality.

We celebrated turning 25!

After an incredibly busy year, Hands on Lifts is thrilled to finally take a moment to celebrate a truly special milestone ... 25 years in business! This achievement would not have been possible without our dedicated team of technicians, whose hard work, expertise, and commitment have been the backbone of our success.

Our Inaugural Newsletter

Welcome to our monthly newsletter in which our customers and suppliers can keep up to date with our exciting projects. We are thrilled to be embarking on this project.

Should you wish to subscribe to receive these monthly newsletters please drop an email to accounts@handsonlifts.co.za.

We look forward to sharing our work with you! If you are interested in enquiring about a lift, our sales team would be delighted to share our products with you.
