## HANDS ON LIFTS (PTY) LTD BRINGS 25 YEARS OF EXPERTISE IN INSTALLING, SERVICING, AND UPGRADING LIFTS FOR HOMES, OFFICES, AND PUBLIC SPACES.

### Successful installation for Private Residence

We recently completed this elegant glass home lift installation, perfectly integrated into our client's existing staircase area.

After carefully reviewing the available space within the staircase, our team identified a solution that required minimal structural alterations, allowing for a smooth and efficient installation process. The result? A modern, black-framed panoramic lift that blends beautifully with the home's finishes while adding practicality, value, and long-term accessibility.

## Our Inaugural Newsletter

Welcome to our monthly newsletter in which our customers and suppliers can keep up to date with our exciting projects. We are thrilled to be embarking on this project.

Should you wish to subscribe to receive these monthly newsletters please drop an email to [accounts@handsonlifts.co.za](mailto:accounts@handsonlifts.co.za).
